

kengro pet products

- Cat Lady & Bayou Boy are made from 100% all-natural, annually-renewable kenaf - "the most naturally absorbant material on earth."
- Farmed & harvested in the Mississippi Delta

- Products are packaged using 100% recycled materials.

WELCOME TO
CHARLESTON

TALLAHATCHIE
COUNTY

- Upon harvesting the kenaf, the plant cores & fibers are separated & processed in our Charleston, MS facility.
- All products are accredited lab-tested & pathogen-free.

www.KengroPet.com

- Customers can learn more about our products and company information.
- Learn to care for your pet with our interactive "Ask the Doctor" blog.
- Special orders can be made upon request by breeders or professionals.
